

Proudly Announces

“TRADIZIONALE NOTTE ITALIANA”

- the complete Italian dining experience!

The traditional Italian dinner is more than a meal – it’s an event, a “food fest” involving whole families and long tables, fine wines and passed plates of exquisite home-cooked cuisine, and hours of stimulating conversation about life, the world, and those dearest to you.

It’s far too wonderful an experience to leave half a world away, so Graziano decided to create the “Traditional Italian Night” just for you! The dinner will include

- an exceptional multi-course prix fixe menu prepared *personally* by Graziano himself
- aperitif and wine
- choose your style of dining: either dine at “Daniela’s table” with new acquaintances, or the more intimate smaller tables close by

The inaugural “Tradizionale Notte Italiana” takes place 7 – 10 pm on Thursday, August 11! And the event will continue the second Thursday night of each month thereafter. To reserve your place, please call us at 707.762.5997 or log on to our website at www.grazianositalianfood.com. Cost is \$75 per person.

Grazie Tanto, and we look forward to seeing you!
